Return of the MAGA. Her bravery is an example to us all. This time, Antifa gets their asses kicked in.

There is no way in hell antifa or blm organizes the same time. I just cant see it. They are dumb, but are they that dumb? Maybe if they believe they have complete police protection from a mob of 1 million + pissed off patriots. But even then there will be no standing room and nowhere to hide or regroup. Cockroaches scurry and hide when exposed to light and seek like-company.

If you happen to cross paths with her, make sure she knows how much she is loved. I can't imagine how afraid she is to return to the city where someone stabbed her.

All's fair in love and war--its not about being 'fair' its about winning--without getting killed or locked up. In war cheating is 'legal'. In fact its a master move.
